LIBRARY LEARNIN'

What book holds the record for being the most stolen book from public libraries?

FUN FACTS: SPRING

When it is spring in the northern hemisphere it is autumn in the southern hemisphere because the northern hemisphere of the Earth is tilted toward the sun and the southern hemisphere is tilted away from the sun. This makes the days in the northern hemisphere longer and shorter in the southern hemisphere.

Let's Connect!

Hi! I'm Rebeca, a middle school librarian from Texas. I try hard to make sure that my library is a welcoming, inviting, and fun place for students and staff alike to learn. I firmly believe that building and maintaining strong relationships is one of, if not the most, important thing you can do to ensure you, your library, and your classroom are successful.
