## Proposal for Library Program Featuring Book Box Subscription

I am proposing a new program for the library that I believe will help build a culture of literacy across campus and generate excitement for reading. The program is a book box subscription service, in which 20 boxes will be sent out each month to students. Each box will contain a variety of snacks, student activities, two library books, and an insert of information promoting reading.

### Benefits of the Program:

- Increased literacy rates: The program will encourage students to read more by providing them with access to new and interesting books.
- Improved student engagement: The boxes will contain a variety of activities that will appeal to our students with a variety of interests.
- Increased collaboration: The program will encourage students share their love of reading and excitement of the library with others.
- Positive school culture: The program will help to create a positive and

# Let's Connect!

Hi! I'm Rebeca, a middle school librarian from Texas. I try hard to make sure that my library is a welcoming, inviting, and fun place for students and staff alike to learn. I firmly believe that building and maintaining strong relationships is one of, if not the most, important thing you can do to ensure you, your library, and your classroom are successful.
