The background of the right side of the image is a light-colored wooden surface. Overlaid on this are several semi-transparent rectangular boxes in shades of purple and pink. In the foreground, several colorful markers (yellow, orange, pink, blue, green) are arranged diagonally, pointing towards the bottom right.

YA Books

These YA books feature Hispanic &/or Latine authors, stories, and/or characters. As always please remember that not every book will be a good fit for every collection, so if you choose to purchase any of these for your collection be sure to first check into their age range, etc. on your preferred professional journal or resource. I personally like to look in Titlewave as they post reviews from multiple professional review resources like SLJ, Hornbook, Kirkus, and more.

Let's Connect!

Hi! I'm Rebeca, a middle school librarian from Texas. I try hard to make sure that my library is a welcoming, inviting, and fun place for students and staff alike to learn. I firmly believe that building and maintaining strong relationships is one of, if not the most, important thing you can do to ensure you, your library, and your classroom are successful.
